However, grass and weeds located on undeveloped and unplatted property located more than 100 feet from developed or platted property shall be mowed so that grass and weeds are less than 18 inches in height.
3. Each owner and each person in the possession or control of any lands shall not allow any plant growth of any sort to remain in such a manner as to render the streets, alleys or public ways adjoining said land unsafe for public travel or in any manner so as to impede pedestrian or vehicular traffic upon any public place or way.
4. Where waterways or watercourses are found upon any developed or undeveloped lot, the owner or person in possession or control shall keep the flat or level part of the bank of said waterway free of any weeds and grasses more than 18 inches in height. **52.07 ENFORCEMENT.** The Mayor, City Administrator or designee may inspect all areas alleged to be in violation and in the case of a founded violation notify the last known owner or person in possession (or control) of the area of violation of this chapter. Said notice shall be by certified mail and allow seventy-two hours (72) after mailing said notice as a period of time to eliminate said violations. Return receipt with signature is not required for said notice. The Mayor, City Administrator or designee shall charge an administrative fee in the amount of twenty-five dollars (\$25.00) for each founded violation. Upon failure of the owner or person in possession or control to act within the prescribed 72 hour time period, the City may perform the required action and assess costs against the property for collection in the same manner as a property tax. In the event such action is taken, the Mayor, City Administrator or designee may obtain competitive quotes to have the required action performed. If no quotes are obtained, the City may have the City personnel perform the required action at rates which shall be established by resolution of the Council from time to time, which rates shall constitute costs to be assessed against the property as provided herein. In addition to the foregoing remedy and other remedies by law, the Mayor, City Administrator or designee may file misdemeanor charges against such individuals or municipal infractions.

**52.08 EMERGENCY CONTROL MEASURES.** Notwithstanding any other provisions of this chapter, whenever in the judgment of the Mayor, City Administrator or designee an emergency exists creating a health, safety or fire hazard which may require weed or grass control without prior notice, control measures shall be taken and costs assessed against the property for collection in the same manner as property tax. However, prior to such assessment, the City shall give the property owner notice by certified mail and an opportunity for a hearing before the Council.

**52.09 CONTROL OF WEEDS OR OTHER VEGETATION.** The Clerk shall annually on or before May 1 through August 1 of each year publish a Notice to Property Owners generally setting forth the duty to control weeds and other vegetation which might be a nuisance in violation of this Code of Ordinances. In the event of an emergency as set forth in Section 364.12, the notice requirement may be dispensed with. In abating a nuisance under this Code of Ordinances, the Mayor, City Administrator or designee are hereby authorized and directed to employ such persons and rent any and all equipment necessary for the abatement of the nuisance and the costs thereof shall be assessed.

**52.10 HABITUAL VIOLATORS.** If the owner or person in control of any land has previously received a notice to abate nuisance relating to weeds within the preceding 24 months, then the notice to abate nuisance may include notice that such owner or person in control of said property will be considered to be an habitual violator of this chapter and that if the nuisance is not abated within the allowed time, the City will consider the property to be subject to having a contract let by the City for mowing property as needed up to a weekly basis for the next following 24-month period of time and that the full cost of said contract together with an administrative fee of two hundred fifty dollars (\$250.00) will be assessed against the property.
