

FENCE PERMIT APPLICATION

\$15.00 Permit #:

A fence permit is required for new, alterations, additions or replacement of fences within the city limits of Garnavillo. You should first refer to the zoning ordinance for requirements and other information regarding the property on which you are planning to install a fence.

When complete, return the form to City Hall for review. If the application is approved, the fee must be paid before the permit will be issued. The permit should be displayed in a weatherproof location and in plain sight at the address for which the permit was issued.

Please complete the application form as completely as possible. If you are not sure on any of the information required, please ask for assistance.

This work is to be done under provisions of the Chapter 165, of the City of Garnavillo Code of Ordinances and the undersigned agrees to comply with all their requirements.

FENCE PROJECT DRAWING

Use the grids below to make a rough drawing of your project that includes location of buildings/structures. Fences are required to be three feet (3') from the property line.

The form consists of a large grid of 20 columns and 20 rows. In the top-left corner, there is a small square containing a compass rose with the cardinal directions labeled: N (North), S (South), E (East), and W (West). The grid is intended for a rough drawing of a fence project, including the location of buildings or structures.
